

# Den Poles – Large Pole

## Technical Information

### Equipment Dimensions

Length / Width / Height      **0.12m x 0.12m x 1.5m**

### Surfacing and Area Required

Minimum Space Required L/W/H      **2.0m x 2.0m x 2.4m**

Max Gradient Of Ground      **1:20**

Free Height Of Fall      **n/a**

Hardstanding      **n/a**

### Installation Information

Overall Weight      **18kg**

Heaviest Part      **18kg**

Largest Part      **2.0m x 0.14m**

Longest Part      **2.0m**

Concrete Required      **0.05m<sup>3</sup>**
