Leg Press

8078940 Black/Lime Green

8078944 Titanium Grey/Lime Green

CC Cast In Place

★ 4.40 x 4.25

For more details please visit our website:
www.tgogc.com

The Leg Press helps to build strength and endurance in the hamstring, calves, quadriceps and gluteal muscles, whilst keeping your back supported.

Designed for up to 2 users at a time, it allows for people to exercise next to each other, which is great for that extra (usually much needed) motivation and support.

The Leg Press is safe, easy-to-use and is built with easy access seats.

Technical Specification

Product designed and certified to EN 16630. Structural steel tubes fabricated to form a fully welded framework.

Sealed for life bearings, Internal motion controlling buffer stops and Eco Grip foot plates and seats.

All steel parts are finished with 'HAGS Coat' antimicrobial powder coating system, as standard.

Generally, bolts are special stainless steel tamper resisting button heads.
